Frontend Developer

Hi there! I'm a Frontend Developer with over 4 years of experience in creating and maintaining user-friendly websites and applications. I love working with HTML, CSS, JavaScript, and various frameworks and libraries. I'm skilled at integrating frontend code with backend technologies to ensure seamless user experiences. My background includes responsive design, API integration, and building single-page applications.

SKILLS

-Frontend Technologies: HTML, CSS, JavaScript, jQuery, Bootstrap, Tailwind CSS, React.js.

-API Integration: RESTful APIs, GraphQL, Ajax, Axios, Fetch-Version Control: Git, GitHub, GitLab

EXPERIENCE

Coderigi Technologies, Uyo - Junior Frontend Developer

2024 - PRESENT

- Led the development team in designing and implementing a cloud-based SaaS application, resulting in a 30% increase in user engagement.
- Mentored junior developers in best practices for front-end development, including HTML, CSS, JavaScript, React.js, and responsive design techniques.
- Collaborated with UX/UI designers to create user-friendly interfaces and optimize the user experience.
- Developed and maintained front-end components of web applications using HTML, CSS, JavaScript, React.js, bootstrap, and tailwind ensuring high performance and responsiveness.

-
- Spearheaded the adoption of modern front-end technologies and frameworks to improve development efficiency and code maintainability. Software Developer.
 - I integrate frontend code with backend template engines like EJS and PUG to create dynamic web pages.
 - I work with RESTful APIs and GraphQL for data fetching using Axios and Fetch.
 - I collaborate closely with backend developers to connect frontend components with Node.js and PHP.
 - I turn Figma design files into pixel-perfect, interactive web pages.
 - I manage version control with Git and collaborate on GitHub for code reviews and project management.

EDUCATION

Akwa Ibom State University, Akwa Ibom - *Bachelor of Science in Computer Science*

FEBRUARY 2023 - PRESENT

ADDITIONAL INFORMATION

- 1.I'm available to start immediately.
- 2.I'm always excited to learn new technologies and take on challenging projects.
- 3.I'm a great team player with strong communication and problem-solving skills.
